

// What is the difference between

```
function () {  
}
```

// And...

```
() => {}
```

```
// What is the difference between
```

```
class Cat {  
  meow() {  
    ...  
  }  
}
```

```
// And...  
class Cat {  
  meow = () => {  
    ...  
  }  
}
```
