```
class Entry extends React.Component {
  shouldComponentUpdate (nextProps) {
    const data = this.props.data
    const nextData = nextProps.data
    const shouldUpdate =
        data.first !== nextData.first ||
        data.last !== nextData.last ||
        data.handle !== nextData.handle

    return shouldUpdate
  }

  render() {
    ...
  }
}
```

Update

Last update: 1:25:29 PM GMT-5

| First | Last | Handle |
| --- | --- | --- |
| Super | Cat | @scat |
